

# More blessed to give....

As the new Chaplain one of my greatest joys, is being able to bless our backstretch workers.

We've handed out backpacks, school supplies, new toys and 6000 pounds of canned and packaged food.

...distributed 700 cases of Diapers, paper products, clothing for men, women and children, TV's microwaves, hot plates and an XBOX 360

**A big THANK-YOU to all who have helped and been so generous.**

**I would like to invite you to join in the blessing... With cooler weather approaching I am collecting gently worn sweaters, jackets and coats.**

If you would like to donate items:  
Leave a message on Chaplain Mark's extension 6438 or 859 489-3866  
I will make arrangements to pick up your donations.
